Introduction

K-5 ELA Curriculum

Montclair Public Schools

July 2017

Approved by Board of Education- August 2017

Welcome to the new K-5 ELA curriculum guide. This summer, a group of your colleagues took the time to dive in and work to develop a fresh and user-friendly curriculum guide that addresses the New Jersey Student Learning Standards and accelerates our progress in reaching *every* student. Our goal was to help you make the best use of your time so that you can focus your attention on reaching each of your students. *Reading on grade level by the end of the third grade is a goal we need to strive to reach for every child in the district.* Helping all students develop a love of and the habit of reading and writing, while stretching to meet their potential, is essential.

This guide is filled with hyperlinks to save you time and help you navigate to the approved resources easily. In short, this guide combines the [NJSLs](#), the [NJSLs Revisions/Crosswalk](#), the [NJDOE Curricular Frameworks](#), curriculum and a planning guide in one. A table of grade level correlations and links can be found below.

In order to benefit fully from this guide, **use it digitally**. Please log in to the [CCC Learning Hub](#). Most of you have accounts from last year. Access will continue. Follow the prompts if a new account is needed. Use the “montclair.K12.nj.us” account to sign in.

The curriculum committee worked very hard and thoughtfully to prioritize what all students need to learn each year based on the standards. Some of the decisions to make the best use of your time have been made and some are left to you. The main thing is to use the simple formative assessments available to help you monitor student progress and make instructional adjustments as necessary.

Please check the [Google site for Montclair teachers](#) for ongoing and further information.

Shared Google folders are emerging as an additional resource where teachers can share directly with each other. Please check your Google Drive periodically and feel free to be the first in your grade level to start one.

Enjoy a great year of learning with your students!

Summer 2017
