

Dear Northeast families,

Directions for accessing Google accounts have been sent to you. However, if your child is in Kindergarten, 1st or 2nd grade you will be using Montclair1 with an uppercase M not their birthdays as stated in a previous communication. For students in grades 3-5 the password is still their birthdate in MMDDYYYY format.

Below you will find directions for access to our Clever portal which has applications our students use. Students K-2 use badges to access Clever. Grades 3-5 sign in using their Google accounts. 3-5 students may need to enter “Northeast Montclair” and click on our school when they log into Clever.

Badges were sent home earlier in the year. If you need a badge or technical assistance please email me directly at:
